This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

Publisher's Note.

THE list of Templeton Births, Marriages and Deaths comprised in this volume includes all that were found in the Town Books covering the period from the earliest date there recorded to the end of the year 1849. Some additions have been made from other sources, and these are indicated in each instance by proper reference.

All of the records are condensed in print as much as is consistent with intelligibility, accuracy, and completeness of information. Differences in duplicates, and explanatory or other matter which seemed necessary or desirable, appear in brackets.

Marriages and intentions of marriage are printed under the names of both parties, but the full information concerning each person is given only under his or her name. An asterisk after a marriage indicates that the intention was not found recorded, and in many cases this is accounted for by the fact that neither party belonged in Templeton, and consequently publishment was made elsewhere.

When places other than Templeton and Massachusetts are named in the original records, they are given in the printed copy.

ABBREVIATIONS.

a. — age
b. — born
ch. — child
chn. — children
Co. — county
C.R. — church record
d. — daughter; day; died
Dea. — deacon
dup. — duplicate entry
f. — female
G.S.1. — gravestone record, Center Burial Ground
G.S.2. — gravestone record, Burial Ground on road to Baldwinville
h. — husband
inf. — infant
int. — publishment of intention of marriage
Jr. — junior
m. — male; married; month
P.R. — private record
rec. — recorded
s. — son
Sr. — senior
w. — wife
wid. — widow
widr. — widower
y. — year
2d. — second

The age given in the Deaths is in years unless otherwise indicated.

Templeton,

Worcester County.

ESTABLISHED as "Templetown" March 6, 1762, from the plantation called "Narragansett Number Six." Part set off to Gardner June 27, 1785, and part included in new town of Gerry (Phillipston) Oct. 20, 1786.

Population at different periods: 1765, 348; 1776, 1,016; 1790, 950; 1800, 1,068; 1810, 1,205; 1820, 1,331; 1830, 1,552; 1840, 1,776; 1850, 2,173. Population in 1905, 3,783.

Number of	Births printed . . .		2,635
	Marriages . .	1,250 =	2,500 names
	Deaths		1,192
			6,327 total
